

Dear DATA Member,

What a great winter last season! We hope you got a chance to ride and enjoy our trails! We groomed for 13 weeks, and had trails open for riding for 15 weeks! We take pride in every aspect of our trail system, and we hope all riders are aware of the work entailed in maintaining this awesome trail system.

Douglas Area Trails Association encourages everyone that rides a snowmobile to be a member of DATA, or the local snowmobile association nearest you. DATA builds and maintains 350+ miles of trails in Douglas County for you to ride and enjoy. MnUSA was created 40 years ago to have a voice at the state level. Without them we wouldn't have a voice on issues affecting snowmobiling in our state.

Annual Membership is \$55.00 - \$30.00 goes to the state association (MnUSA) and \$25.00 stays with DATA to support our local trail development. MnUSA dues have increased to \$35.00 when not paid through a club roster.

Grooming reports, events, advertisers, lodging and trail sponsorship information is available on DATA's website at www.douglasareatrails.com, or call 320-834-2033. We're also on Facebook.

Please include your email address on your form so we can contact you easier.

Thank you for all you do for snowmobiling! Let it SNOW!!!

Annual membership fee: (DATA & MnUSA -if also a Club member) \$55.00

(DATA only) \$25.00
